

ASSEMBLY BILL

No. 2658

Introduced by Assembly Member Conway

February 19, 2010

An act relating to transportation.

LEGISLATIVE COUNSEL'S DIGEST

AB 2658, as introduced, Conway. Short line railroads.

Existing law provides for various transportation planning activities by the Department of Transportation and other agencies. Existing law provides funding for projects to enhance goods movement.

This bill would state the intent of the Legislature to initiate a coordinated short line railroad program in this state to improve the movement of goods.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to initiate a
- 2 coordinated short line railroad program in this state to improve the
- 3 movement of goods.

O
